Special information on Covid-19 | Online Therapy

March 20, 2020

The following article is taken from the [EAP special newsletter on Covid-19](#). Please click [here](#) for details.

Dear Colleagues,

The populations of Europe and European **psychotherapists are facing an unprecedented situation with the rapid spread of the Coronavirus (or Covid-19) across Europe**. We are increasingly asked to “self-isolate” if infected but also to avoid direct contact with others as well as avoiding
